Inner Carton EAN: | Outer Carton EAN: 5412810385164

This Nedis turntable makes enjoying your music on vinyl and from your digital devices easy. The built-in speakers with 2x 9W peak power make it possible to just kick back and listen to your records with no complicated setup or hassle. Its suitcase with carrying handle makes it easy to take with you wherever go. The black finish makes it a great addition to any room and you can even connect the turntable to your home stereo system (using its RCA output) or wirelessly stream the music from another Bluetooth® device to the turntable. The belt drive turntable can play all of your vinyl collection, whether 33 1/3, 45, or 78 rpm.

Features

- Portable suitcase with carrying handle - to make it easy to enjoy your records wherever you go
- 33, 45 and 78 rpm speed settings - to let you listen to all of your vinyl collection records
- Two lightweight speakers - offering 2x 9 W peak power output of crisp sound
- RCA line-out - for boosting the sound even further by adding external speakers
- Bluetooth® connection - to wirelessly stream music from another Bluetooth® devices to the turntable
