

Action Cam | HD 720p | Waterproof Case

General information

Capture all the action from a unique perspective! Our Nedis® action camera is a real lightweight so attach it to nearly anything with the included mounts and you will hardly notice its presence. That is, until you watch your footage in sharp HD image quality. It will immerse you in the thrill of the moment, over and over again... And, having the option to store your recordings on microSD cards of up to 32 GB, you hardly have to worry about how much memory there is left. Perfect for all outdoor activities, essential for extreme sports.

Features

- Large 2" TFT screen to actually see what you are recording
- Built-in microphone
- Supports up to 32 GB MicroSD memory cards
- Including complete mounting kit to attach the camera to nearly anything
- Sturdy housing which is waterproof up to 30 m
- Can also be used as webcam
