

## Fully Wireless Earphones | Bluetooth® | Touch Control | Charging case | Built-in microphone | Voice control support

### General information

Enjoy streaming music and phone calls with these Nedis® fully wireless Bluetooth® 5.0 earphones. They come with a charging case for easy charging without wires. These fully wireless earphones have a playtime of up to 3 hours and the charging case provides 3 additional full charges. The small-sized drivers with a 6 mm diameter provide excellent sound quality. The ear wings ensure a secure fit and make these earphones suitable for all-round usage. They are compatible with Google Assistant and Siri so you can ask to start your music, ask for road directions, online information and many other things. This makes these headphones match perfectly with your smart life. The touch-control buttons provide the ultimate user experience. The earphones come with ear tips in 3 different sizes to ensure a perfect fit for every user and use.

### Features

- Fully wireless design - not messing around with a cable
- Maximum playtime of up to 3 hours - to ensure playing music or making phone calls
- Ear wings - Secure ear wings which makes it ideal for sporting and regular use
- Charging case - it provides 3 additional full charges for the earphones
- Instant connecting and pairing - connects and pairs automatically after initial pairing
