

## Fully Wireless Earphones | Bluetooth® | Press Control | Charging case | Built-in microphone | Voice control support

### General information

Enjoy streaming music and phone calls with these Nedis® fully wireless Bluetooth® 5.0 earphones with voice control. It comes with a wireless chargeable case for easy charging without wires. These fully wireless earphones have a playtime of up to 3.5 hours and the charging case provides you with 2 additional full charges. In addition, you can continue to listen to music via battery cable when the earphones are empty. The small-sized drivers with a 7 mm diameter provide excellent sound quality. They are compatible with Google Assistant and Siri so you can ask to start your music, ask for road directions, online information and many other things, making these headphones match perfectly with your smart life. The earphones come with ear tips in 3 different sizes to ensure a perfect fit for every user and application.
