

Wired Headphones | In-ear | Active Noise Cancelling (ANC) | 1.2 m Round Cable | Grey

General information

Enjoy your favourite tracks in a perfectly balanced sound quality with this Nedis® active noise cancelling in-ear headset. The active noise cancelling drops disturbing ambient sounds by 20 dB so you can really get into your music.

This feature, together with a universal airplane adapter and included memory foam ear buds will soon turn this headset into your favourite travel essential you simply can't leave without.

Also included: a hard-shell travel case to safely store your precious Nedis® active noise cancelling in-ear headset and all its accessories.

Features

- Well-balanced sound with subtle bass
- Connects to all kinds of devices
- Battery time up to 8 hours
- Incl. plane adapter for on-board entertainment with your personal headset
- Incl. hard shell case for safe storage
- Active Noise Cancelling up to 20 dB to reduce disturbing noise (e.g. train and plane)
