Features

- Protection against overcharging, short circuiting & overheating
- LED light which works as a torch
- Charges smartphones up to 2 times

Specifications

Colour:	Black
Number of sockets:	1
Material:	Plastic
Width:	45 mm
Length:	95 mm
Connection:	USB
Output voltage:	5 VDC
Technology:	Lithium-Ion
Appliance:	Smartphone / Tablet
Output power:	5 W
Connection input:	1x Micro USB
Packaging:	Window Box with Euro Lock
Input voltage:	5 VDC
Output current:	1.0 A
Maximum output current per port:	1.0 A
Weight:	131 g
Height:	21 mm
Battery capacity:	5000 mAh
Battery voltage:	3.6 V
Input current:	1.0 A
Energy density:	18 Wh
