

LED Torch | 3 W | 180 lm | IPX7 | Black

General information

Compact yet robust and powerful 3-W Cree LED torch to have a torch at hand for every occasion. It is equipped with an aluminium reflector, which ensures 100% light transmittance to illuminate areas with 180-lumen. The IPX7 water resistant housing is built up from rock hard anodised aluminium, which provides extreme durability and has a net weight of only 118 g. In addition, it features a push and pull focus head function, it can zoom in and focus on a smaller area with high intensity lighting, which is visible up to 150 metres.

Specifications

Rated luminous flux:	180 lm
Product colour:	Black
Technology:	LED
Number of LEDs:	1
Lamp included:	Yes
Lamp type:	Torch
Light colour:	White
Number of switching cycles:	10000
Number of batteries:	3
Rated life time of lamp:	50000 h
Housing:	Anodised Aluminium
Wattage:	3 W
Colour rendering index (Ra):	70
Light duration:	5 h
LED chip:	Cree
Reflector finish:	Aluminium Reflector
IP rating:	X7
Weight:	118 g
Light range:	150 m
Battery type:	AAA
Batteries included:	No
On/off switch:	Push
Colour temperature:	5000 - 8300 K
Voltage:	4.5 V
Length:	123 mm

Package contents

LED torch
