

Power Bank | 10000 mAh | 2-USB-A outputs 2.1A | Micro USB input | Black

General information

Use this portable power bank at home, in the office or when you are travelling to charge two devices simultaneously.

The handy LCD display reveals exactly how much power it has left so you know when you may need to plug it in.

There's enough power within to charge a smartphone up to four times and a tablet up to one and a half times.

The power bank offers protection against overcharging, short circuiting and overheating.

Features

- Charge two devices at once - with this portable power bank
- Carries enough power to charge a phone up to four times
- LCD display - so you always know how much power is left

Specifications

Colour:	Black
Number of sockets:	2
Length:	140 mm
Output voltage:	5 VDC
Appliance:	Smartphone / Tablet
Width:	72 mm
Height:	15 mm
Technology:	Lithium-Polymer
Connection input:	1x Micro USB
Packaging:	Window Box with Euro Lock
Input voltage:	5 VDC
Maximum output current per port:	2.1 A
Battery recharging time:	300 min
Accessories:	Micro USB Cable
Connection output:	2x USB-A
Battery voltage:	3.7 V
Battery capacity:	10000 mAh
Output current:	2 x 2.1 A
Input current:	2.0 A
Material:	ABS / PC
Output power:	10.5 W
Energy density:	37 Wh
