

Wireless Door Chime | Accessory for WIFICDP10GY | USB

General information

Expand your Nedis® smart video doorbell with this wireless door chime. This way, you always know someone is at your door, even if you don't have your smartphone within reach or if it is switched off. You only need to plug it in a USB port and select the melody and volume with the SmartLife app. Connects wirelessly with the doorbell for maximum flexibility.

Features

- Compatible with the Nedis® smart video doorbell
- Wireless connection for flexible placement in your home
- Option to connect up multiple chimes to a single video doorbell
- Melody and volume adjustment via the SmartLife application
