

RF Plug | Outdoor IP44 | Dimmable | Schuko Type F | 300 W

General information

Operate your electrical appliances remotely with your 433.92 MHz remote control system by simply connecting them to this Nedis® wireless plug. It is compatible with most well-known brands to enable easy expansion of your existing system.

This wall plug works with all Nedis® remote controls and is compatible with dimmable lighting.

Easy to set up

Pairing the plug to turn on devices or to connect them to remote controls (RFWS20WT / RFWS10WT / RFRC410WT / RFRC220WT) can be activated by pressing a single button. One plug stores a maximum of 5 different remote controls.

Weatherproof

This plug is resistant to rain with its splash-proof housing (IP44 when not in use) and takes temperatures ranging from -20 to 50 °C.

Features

- Can be used as a stand-alone product or can connect easily with other Nedis® RF products
- Allows remote control - for easy operation of appliances
- Compatible with most existing 433.92 MHz systems regardless of brand
- IP44 weatherproof protection for outdoor use
