

Nedis Extension Socket | 5-Way Schuko | 2x USB | 1.5 m | On/Off Switch | White

General information

This Nedis® schuko-type power strip with child safety shutters splits a wall socket in five power points. It is equipped with a switch to turn off all sockets with a single click - and with a long cable to power electrical devices anywhere at home or in the office. Two USB ports allow you to charge your devices without the use of an extra adapter.

Features

- 5 power points - plug 5 devices into a single socket
- Child safety shutters - for maximum safety
- On/off switch - turn off all plugged-in devices with a single click
- Long power cable - 1.5 metres provide you with enough flexibility to place the extension lead neatly out of sight
- 2 USB ports - charge devices without an extra adapter
