

Waffle Maker | 2x 14 cm | 1200 W | Black

General information

Heart-shaped waffles are the ideal treat for kids and adults alike. This Nedis® waffle maker is super easy to use thanks to the non-stick waffle plates, ensuring minimal cleaning afterwards. The iron also integrates a light which indicate it is switched on and another one to let you know your waffles are ready to eat.

Features

- Power indicator, food-ready indicator and adjustable temperature
- 2 cast-aluminium, non-stick coating plates of 14 cm each
- Non-skid rubber feet
