

Wi-Fi Smart LED Bulb | Warm to Cool White | E27 | 3-Pack

General information

Take control of your lights with this set of three Smart Bulbs that connect directly to your wireless/Wi-Fi router to offer remote control as part of your home automation system.

Easy to set up

You don't need to be a technical genius or an electrician to control and automate your lighting remotely. All you actually need is your Wi-Fi router, our intuitive app and these Nedis® Wireless Smart Bulbs. No extra kit and no connecting hubs: this is home automation made simple.

Control the bulb's brightness and colour

Connect them up and you can now control the brightness and alter your lighting from warm to cool white light by using your smartphone or tablet. And if you're getting super smart you can even control them with your voice via Amazon Alexa or Google Home.

Set up schedules and pair with other smart products

Set up time schedules for the bulb to be switched on or create ambient scenes in an instant by pairing this bulb to other products from the Nedis® SmartLife range.

Eco-friendly

Your home not only gets smarter, it also gets eco-friendlier. These energy-efficient bulbs have a maximum power consumption of 9 W but they give you an output of around 800 lumen, which is the same as most 60 W bulbs offer.

About Nedis® SmartLife

Discover a wide and ever-expanding range of products - such as bulbs, switches, sockets, sensors, and cameras - that can all be controlled through an easy-to-use and intuitive app. With voice control features supported by Amazon Alexa and Google Home, and no need for anything more than your existing Wi-Fi network, this is the connected, smart home made simple.

Whether you're looking for a single smart bulb or socket, or you want to automate your entire house, discover how accessible smart technology is today.

Specifications

Wattage:	9 W
Light colour:	Warm White / Cold White / Dimmable White
Base:	E27
Colour:	White
Material:	Plastic
Colour rendering index (Ra):	80
Rated life time of lamp:	25000 h
Energy class:	A+
Energy consumption per 1000 hours:	9 kWh
Wattage equivalent:	60 W
Number of switching cycles:	15000
Programming functions:	Switch On / Switch Off / Dimmable / Switch On with Time Delay / Switch Off with Time Delay
Wireless technology:	Wi-Fi
App available for:	Android™ & iOS
Lamp shape:	A60
Beam angle:	220 °
Antenna gain:	2 dBi
Rated luminous flux:	800 lm
Overall length:	110 mm
Input voltage:	230 VAC 50 Hz
Diameter:	60 mm
Compatible with:	Nedis® SmartLife
Operating temperature:	-20 - 45 °C
Colour temperature:	2700 - 6500 K
Maximum radio transmit power:	16 dBm
Frequency range:	2.400 - 2.4835 GHz
