

# Datasheet | Silver-Oxide Battery SR68 1.55 V | VARTAV373

## Silver-Oxide Battery SR68 1.55 V 23 mAh 1-Pack

### Product specifications VARTAV373:

|                                  |           |
|----------------------------------|-----------|
| Battery capacity                 | 23 mAh    |
| Colour                           | Silver    |
| Device type                      | Watch     |
| Number of batteries in packaging | 1-Pack    |
| Output voltage                   | 1.55 V DC |

### Packaging information:

|                    |                      |
|--------------------|----------------------|
| Brand              | Varta                |
| Order code         | <b>VARTA-V373</b>    |
| EAN single Product | <b>4008496245925</b> |
| EAN Inner Carton   |                      |
| EAN Outer Carton   |                      |
| Package contents   |                      |

| Quantity | L x   | W x   | H (mm) | Weight |
|----------|-------|-------|--------|--------|
| 10       | 25 mm | 25 mm | 65 mm  | 14 g   |
| 100      | 60 mm | 65 mm | 135 mm | 128 g  |
