

## Solar Wall Light LED Silver

### Product specifications RA1003079:

|                               |                  |                     |       |
|-------------------------------|------------------|---------------------|-------|
| Batteries included            | No               | Rated luminous flux | 35 lm |
| Beam angle                    | 110 °            | Technology          | LED   |
| Body material                 | Stainless Steel  | Wattage             | 0.5 W |
| Colour                        | Silver           |                     |       |
| Colour temperature            | 3000 K           |                     |       |
| Diameter                      | 89 mm            |                     |       |
| Dimmable                      | No               |                     |       |
| Energy class                  | A                |                     |       |
| IP rating                     | IP44             |                     |       |
| Lamp included                 | Yes              |                     |       |
| Lamp type                     | Solar Wall Light |                     |       |
| Light range                   | 3 m              |                     |       |
| Material                      | Stainless Steel  |                     |       |
| Motion sensor                 | No               |                     |       |
| Number of products in package | 1 pcs            |                     |       |

### Packaging information:

|                    |               |
|--------------------|---------------|
| Brand              | Ranex         |
| Order code         | RA-1003079    |
| EAN single Product | 8711387083655 |
| EAN Inner Carton   |               |
| EAN Outer Carton   |               |
| Package contents   |               |

| Quantity | L x    | W x    | H (mm) | Weight |
|----------|--------|--------|--------|--------|
| 1        | 100 mm | 145 mm | 130 mm | 442 g  |
| 8        | 220 mm | 305 mm | 260 mm | 3780 g |
