

Input voltage: 12 V DC | Device power output connection(s): Type F (CEE 7/3) / USB-A | 230 V AC 50 Hz | 150 W | Peak power output: 300 W | Cigarette Lighter Plug | Silver

Brand: Nedis | Article number: PIMS15012 | Product EAN number: 5412810300563

Product specifications		Works with remote control		No

Brand	Nedis																																			
Order code	PIMS15012																																			
EAN single product:	5412810300563																																			
EAN Inner carton:																																				
EAN Outer carton:	5412810373932																																			
Packaging	Giftbox																																			
Package contents	Inverter																																			
	Fuse																																			
Quantity	L x					W x	H (mm)	Weight																												
1	130 mm					85 mm	190 mm	757 g																												
16	290 mm	370 mm	390 mm	12420 g																																
Device power output connection(s)	Type F (CEE 7/3)																																			
	USB-A																																			
Efficiency	90 %																																			
Fuse	Yes																																			
Input type	Cigarette Lighter Plug																																			
Input voltage	12 V DC																																			
Material	Aluminium																																			
Maximum power consumption	300 W																																			
Number of products in package	1 pcs																																			
Number of sockets	1 pcs																																			
Output power	150 W																																			
Output voltage	230 V AC 50 Hz																																			
Output waveform	Modified Sine Wave																																			
Peak power output	300 W																																			
Power plug	Cigarette Lighter Plug																																			
Power source type	Car Powered																																			
Safety functions	Low-Battery Shutdown Protection																																			
	Output Short-Circuit Protection																																			
	Overload Protection																																			
	Reverse Battery-Polarity Protection																																			
	Thermal Protection																																			
	Too High Input Voltage Protection																																			
Socket type	F (CEE 7/3)																																			
	USB																																			
Total number of USB ports	1
