

**Smart Climate Sensor | Zigbee 3.0 | Battery Powered | Android™ / IOS | White**

**Product specifications ZBSC10WT:**

|                               |                   |                     |            |
|-------------------------------|-------------------|---------------------|------------|
| App available for             | Android™          | Weight              | 18 g       |
|                               | IOS               | Width               | 45 mm      |
| Batteries included            | Yes               | Wireless technology | Zigbee 3.0 |
| Colour                        | White             |                     |            |
| Compatible with               | Nedis® SmartLife  |                     |            |
| Depth                         | 45 mm             |                     |            |
| Height                        | 12 mm             |                     |            |
| Input voltage                 | 3 V DC            |                     |            |
| Material                      | Plastic           |                     |            |
| Maximum transmit antenna gain | 0 dBi             |                     |            |
| Maximum transmit power        | 10 dBm            |                     |            |
| Operating temperature         | 0 - 40 °C         |                     |            |
| Power source type             | Battery Powered   |                     |            |
| Required batteries (included) | 1x CR2450         |                     |            |
| Transmit frequency range      | 2400 - 2483.5 MHz |                     |            |

**Packaging information:**

|                    |                                     |
