

# Edimax

## Datasheet | Network Switch

Brand: Edimax | Article number: GS-1016 V2 | EAN number: 4717964704283

### Product specifications

|                             |   |
|-----------------------------|---|
| Appliance                   | Home  |
| Built-in fan                | No  |
| Colour                      | Black   |
| Connection                  | LAN   |
| Connection output           | 16x RJ45  |
| Connector type              | RJ45  |
| Depth                       | 133 mm  |
| Device type                 | Switch  |
| Height                      | 42 mm   |
| Input voltage               | 100 - 240 V AC 50/60 Hz                               |
| LED indication              | Link (Green)<br>Power (Orange)                        |
| Material                    | Metal   |
| Network type                | Gigabit   |
| Number of ethernet ports    | 16  |
| Operating system            | Windows 10<br>Windows 7<br>Windows 8<br>Windows Vista |
| Operating temperature range | 0 - 40 °C   |
| Power plug                  | Euro / Type-C (CEE 7/16)                              |
| Power source type           | Mains Power   |
| Storage temperature         | -40 - 70 °C   |
| Weight                      | 850 g   |
| Width                       | 215 mm  |
| Wired speed                 | Gigabit   |

### Packaging information

|                  |               |
|------------------|---------------|
| Brand            | Edimax        |
| Order code       | GS-1016V2     |
| EAN number:      | 4717964704283 |
| Package contents |               |

| Quantity | L x    | W x    | H (mm) | Weight  |
|----------|--------|--------|--------|---------|
| 1        | 223 mm | 75 mm  | 335 mm | 1593 g  |
| 8        | 345 mm | 250 mm | 600 mm | 13620 g |
