

LED work light JARO 2010 MA (battery LED construction light for outside IP54, 20W, 2200lm, 12h burn time, with power bank function)

Product specifications 1171250245:

Ambient temperature range	-10 - 40 °C	Number of products in package	1 pcs
Body material	ABS	On/off switch	Yes
	Metal	Power cable length	1.00 m
Colour	Black	Rated luminous flux	2200 lm
	Yellow	Technology	LED
Colour temperature	6500 K		
Frequency	50/60 Hz		
Impact resistance	IK07		
Input voltage	3.7 V DC		
IP rating	IP54		
Lamp included	Integrated		
Lamp type	Mobile Floodlight		
Material	ABS		
	Metal		
Maximum output current	6.6 A		
Mount	Mobile		
Number of LED's	40 LED's		

Packaging information:

Brand	Brennenstuhl
Order code	1171250245
EAN single Product	4007123676552
EAN Inner Carton	
EAN Outer Carton
