

SmartLife Power Switch | Zigbee 3.0 | 2x100 W | Terminal Connection | App available for: Android™ / IOS

Product specifications ZBWS20RD:

|                                   |                            |                               |                 |
|-----------------------------------|----------------------------|-------------------------------|-----------------|
| App available for                 | Android™                   | Mounting                      | Wall Mount      |
|                                   | IOS                        | Number of products in package | 1 pcs           |
| Colour                            | Red                        | Operating temperature range   | -10 - 40 °C     |
| Compatible with                   | Nedis® SmartLife           | Output current                | 0.5 A           |
| Device power input connection(s)  | Switch                     | Output power                  | 2x100 W         |
|                                   | Terminal Connection        | Supported wireless technology | Zigbee 3.0      |
| Device power output connection(s) | Terminal Connection        | Transmit frequency range      | 2400 - 2484 MHz |
| Input current                     | 0.5 A                      |                               |                 |
| Input voltage                     | 100 - 240 V AC<br>50/60 Hz |                               |                 |
| IP rating                         | IP20                       |                               |                 |
| Material                          | Plastic                    |                               |                 |
| Maximum power consumption         | 2300 W                     |                               |                 |
| Maximum transmit antenna gain     | 2.8 dBi                    |                               |                 |
| Maximum transmit power            | 10 dBm                     |                               |                 |
