Inner Carton EAN: | Outer Carton EAN:

Nedis.com

The smoke alarm increases home safety. It is provided with a learning button that wirelessly interconnects to an unlimited number of DTCTSC10WT smoke alarms. If one device detects smoke, it sends out a signal through radio frequency which activates the others as well. Also equipped with test button and low-battery alert.

## Features

- Low-battery alert
- Test button
- > 85 dB siren
- Unlimited number of connectable detectors
