Smoke Alarm

Battery Powered | Battery life up to: 10 year | EN 14604 | With pause button | With test button | 85 dB | ABS | White

Brand: Nedis | Article number: DTCTSL40WT | Product EAN number: 5412810269211

Inner Carton EAN: | Outer Carton EAN: 5412810378999

Nedis.com

The compact Nedis smoke detector is ideal for those who want the safety and security of an early warning system without having an obtrusive, bulky alarm being fitted in their room.

At only 43 x 43 mm it is 75% smaller than most detectors and can be fitted very discretely indeed. Yet, it's large enough to house a powerful sensor and an alarm that offers 85 decibels of warning at the earliest stage of a fire.

Simple to install, using either the 3M tape or screws provided, the lithium battery within offers you ten years of protection.

Features

- Sleek, small and unobtrusive design - to blend into any interior
- Up to 75% smaller than most detectors - measuring just 43 x 43 mm
- Sensor - with a lifespan of 10 years
- Easy-to-reach test/hush button - operable with a single hand
- Simple to install - using 3M tape or screws (included)
- Powerful alarm - offering an early fire warning at 85 dB
