Nedis.com

This Nedis dummy outdoor camera provides burglary prevention at a fraction of the cost of a real camera. Its professional design integrates a flashing LED, making it almost impossible to distinguish from real. The dummy camera operates on two AA rechargeable batteries which are automatically recharged by a built-in solar panel. Easy to mount with the included screws.

## Features

- Flashing red LED for a realistic effect
- Solar panel to recharge the batteries
- Incl. wall/ceiling mount and screws
