# SmartLife Motion Sensor

**Wi-Fi | Battery Powered / Mains Powered | Detector angle: 120 ° |  
Detector range: 10.0 m | White**

Brand: Nedis | Article number: WIFISM10CWT | Product EAN number: 54 12810269969

Inner Carton EAN: | Outer Carton EAN: 54 12810382439

This Smart Wi-Fi Motion Sensor (with a 10 m range across a detection area of 120°) can be used as part of a wireless security system or simply to turn appliances on when you enter a room.

#### Easy to set up

Setting it up couldn't be easier as it simply connects with your Wi-Fi router to allow control by your smartphone or tablet and for alerts to be sent to your device.

#### Pair with other products

Alternatively, it can be paired with other devices and appliances in the Nedis SmartLife range to trigger events, such as switching on lights, when someone enters a room.

#### About Nedis SmartLife

#### Read more online

#### Features

- Powerful PIR motion sensor - offers 10 m coverage over a 120° range
- Can be used as a stand-alone security product
- Can connect easily with other Nedis® SmartLife products to trigger the setting up of scenes when someone enters a room
