Nedis.com

The metal-crafted design of this Wireless Bluetooth® Speaker gives you a look as good as its sound.

Stream your music wherever you are

With a 15 W peak power output this speaker offers you superb, portable sound quality. The lightweight speaker delivers a heavyweight audio experience for those on the move.

Connect it wirelessly to your smartphone - or any other Bluetooth® device - to kickstart the party.

Keep dancing

The integrated 800 mAh battery gives you four hours of playtime on a single charge - and you can continue the party as the speaker is recharging ready for your next venue.

Keep talking

## Features

- Metal-crafted design - to look as good as it sounds
- Built-in 800 mAh battery - for four hours playtime per charge
- Lightweight speaker - with a heavyweight sound
- Built-in microphone - so you can make and receive calls directly through the speaker
