Inner Carton EAN: | Outer Carton EAN: 5412810378593

Nedis.com

This versatile Nedis Wireless Weather Station provides information about the indoor and outdoor temperature, as well as reporting on expected weather conditions. What's more it also doubles as an alarm clock so, come rain or shine, you'll always be up and out of bed on time!

The outdoor sensor can be sited anywhere within your garden. It operates by 2x AA batteries (not included) to transmit six levels of weather data to the alarm clock/weather station inside via a 433 MHz frequency signal.

Sleek and stylish display unit

The sleek and stylish display unit can be placed anywhere in your home as it does not require a mains supply, operating with 3x AAA batteries (not included).

Alarm clock and weather information/forecasting
