Wi-Fi | HD 720p | Pan tilt | Cloud Storage (optional) / microSD (not included) | With motion sensor | Night vision | Grey / White

Brand: Nedis | Article number: WIFICI20CGY | Product EAN number: 5412810290109

Inner Carton EAN: | Outer Carton EAN: 5412810382323

An essential addition to any smart home system, this Nedis Smart Home IP Camera offers pan and tilt functionality to cover the whole room.

This wireless-controlled security camera connects directly with your home Wi-Fi network - no additional hub required - to be triggered by any motion in the room.

Smart IP Camera

Home automation just got simpler. This easy to use camera can be easily connected to your existing Wi-Fi network to monitor rooms for any sound or motion.

It records in HD resolution (1280x720 pixels) for complete clarity of the images captured. In addition, the camera is just as powerful at night: with its night vision mode offering a range of 10.0 m.

Features

- Smart IP Camera - responds automatically to record any motion in your room
- HD resolution - for crystal-clear footage capture
- Easy to connect directly into your Wi-Fi network - no separate hub required
- Two-way communication - to hear and speak to those in the room
- Wall and ceiling mount included - easy to affix straight from the box
- Fully supported by all other products in the Nedis® SmartLife range.
