Nedis.com

This robust but precise wireless mouse has a premium fabric finish. Its ergonomic design ensures it is always comfortable to use, even for long periods.

Suitable for both left- and right-handed users, its clever design includes a compact receiver which can be stored in the bottom of the mouse when not in use (or when being transported).

The mouse has three buttons that place you in control and offers a choice of three dpi settings, ranging from 800, 1200 or 1600 dpi.

Features
- Wireless mouse with Nano USB receiver - which can be stored inside the mouse when not in use
- Works wirelessly up to a distance of 10 metres
- Choose the setting you require - from 800, 1200 and 1600 dpi
- Requires 1x AA battery (not included) - the mouse can be switched off to avoid unwanted battery usage
