SmartLife Smoke Detector

Wi-Fi | Battery Powered | Sensor life cycle: 10 year | EN 14604 | Max. battery life: 24 Months | 85 dB | White | 1 pcs

Brand: Nedis | Article number: WIFIDS10WT | Product EAN number: 54 12810303755

Inner Carton EAN: 54 12810396122 | Outer Carton EAN: 54 12810382408

This Wi-Fi smoke detector alerts you if there is either smoke or an excessive build up of heat - and it does so with a loud alarm for those nearby and an alert sent to your phone wherever you may be.

Easy to install, this smoke and heat detector simply connects to your Wi-Fi with no need of a hub.

It offers the peace of mind of two safety features, detecting both smoke and a rapid increase in temperature.

It can be simply paired to other SmartLife products for additional safety features. These could include, for example, having your smart light bulbs switch on when smoke is detected to enable a safe exit.
