Brand: Nedis | Article number: WIFICI11CWT | Product EAN number: 5412810306053

Inner Carton EAN: | Outer Carton EAN: 5412810382316

This easy to use Smart Indoor IP Camera with a flexible, bendy gooseneck can be simply connected to your existing Wi-Fi network to monitor rooms of your house and record any sound or motion, whether you are at home or on the road. The Nedis SmartLife app notifies you in case of movement and noise, so you can intervene in time.

HD Resolution

You can keep an eye and react to everything you see in real time via the app. Thanks to the micro SD slot, you can store recordings on a micro SD card up to 128 GB. It records in Full HD resolution (1920x1080 pixels) for complete clarity of the images captured. There is also an optional possibility to save the video material in our app via a cloud solution..

Reacts to movement and sound
