Cooking big cuts of meat to perfection is going to be so easy with this meat thermometer, even for inexperienced home cooks. Or use it to check if your wine has the right serving temperature.

Insert the probe into the dish and within seconds, the internal temperature tells you if it's done.

The stainless steel probe is hygienic and easy to clean.

Features
- Range of up to 200 °C
- Measuring units in Celsius or Fahrenheit
- Very easy to use: switch on and insert the probe
- Hygienic stainless steel probe
- Hanging hook for easy storage
- Sleek aluminium design
