## Features

- Set temperature using buttons on top, your Nedis® SmartLife app or by voice in combination with Google Home or Amazon Alexa
- This fan heater connects directly to your Wi-Fi so you can control it from anywhere in the world
- Simply set a timer or a schedule for automated heating
- The heater uses the full 2000 W to quickly heat up the room - and when approaching the target temperature it automatically lowers the heating power to 1200 W
