Nedis.com

This Nedis turntable makes enjoying your music on vinyl and from your digital devices easy. The built-in speaker with 9 W peak power makes it possible to just kick back and listen to your records with no complicated setup or hassle. Its brown finish makes it a great addition to any room and you can even connect the turntable to your home stereo system (using its RCA output) or wirelessly stream the music from another Bluetooth® device to the turntable. The belt drive turntable can play all of your vinyl collection, whether 33 1/3, 45, or 78 rpm.

Features

- Lightweight speaker - offering 9 W peak power output of crisp sound
- RCA line-out - for boosting the sound even further by adding external speakers
- Bluetooth® connection - to wirelessly stream music from another Bluetooth® devices to the turntable
- In-built 1200 mAh battery - lets you play music without a mains power supply for up to 4 hours at a time
- Transparent cover - to protect your turntable against dust, spills, scratches, water and other contaminants
