Convection Heater

2000 W | 2 Heat Settings | Turbo function | Adjustable thermostat | Integrated handle(s) | Black

Brand: Nedis | Article number: HTCO40FBK | Product EAN number: 5412810310937

Inner Carton EAN: | Outer Carton EAN: 5412810404827

This black Nedis convector heater with a maximum heating capacity of 2000 Watt is the ideal heater if you quickly want to heat a room. Use this heater as an emergency replacement for when your central heating system is down, as a heater for in between the hot and cold seasons or simply use it in rooms that don't have central heating.

With its integrated handles, the heater is flexible and easy to move from room to room. The heater doesn't make any noise, which means it's ideal to warm up the bedroom. This convector has some extra features like overheating protection, 2 different heating modes and a turbo mode. All these features make it easy to heat up any room to your ideal temperature.

Features

- Turbo-mode
- 2 heating modes - 1200/2000 Watt
- Overheating protection
- Integrated handles
