Brand: Nedis | Article number: CATR120BK | Product EAN number: 5412810319077

Inner Carton EAN: 5412810396306 | Outer Carton EAN: 5412810383344

Fed up with the car radio? You can enjoy your own playlists while driving with this Nedis Bluetooth® 5.0 FM transmitter. With this device you can play music from smartphones or tablets through your car radio.

The innovative Bass Boost functionality delivers a deeper bass with the touch of the button.

But this transmitter is smarter than that: it can also charge your device with its 2.4 A USB connection which enables devices to charge faster at higher voltages. The second 1 A connection lets you connect another device to play your own music.

The built-in microphone enables hands-free calling for safe driving and the LED let's you see all the information you need easily.

Features

- Connects to any Bluetooth® device - to wirelessly connect to your car radio
- Bluetooth® 5.0 - for less interruption and faster speeds
- Bass Boost function - to deliver a deeper bass when needed
- Integrated microphone - to make hands-free calls
- Two USB ports - for charging a USB device with the 2.4 A connection and to play your own music with the other
- MicroSD port - to enjoy your own playlists
- LED display - to quickly see the information you need
