Use this powerbank at home, in the office or when you are travelling to charge two devices simultaneously.

The handy LED indicator reveals exactly how much power it has left so you know when you may need to plug it in. There's enough power within to charge a smartphone up to eight times or a tablet up to three time.

The powerbank offers protection against overcharging, short circuiting and overheating.

Features

- Charges two devices at once - which saves time
- Carries enough power to charge a phone up to eight times
- LED indicator - so you always know how much power is left
