Looking for a more punchy sound reproduction than your built-in microphone? This Nedis gaming microphone provides the perfect solution! It captures that crisp, clear sound perfect for podcasting, gaming, streaming, voice overs.... you name it.

Feature-packed

The microphone works plug & play: you only need an available USB port. It has a super flexible gooseneck which you can position in any angle. A large mute button with cool LED light allows you to instantly deactivate the microphone. Don't forget to connect your headphones to the 3.5-mm output for an immersive effect.
