Digital Audio Converter

2-way | Connection input: 1x S/PDIF (RCA) Female / 1x TosLink Female | Connection output: 2x RCA Male | ARC | Manual | Black

Brand: Nedis | Article number: ACON2509BK | Product EAN number: 5412810327461

Inner Carton EAN: | Outer Carton EAN: 5412810444045

This digital to analog audio (DAC) converter is suitable to convert a digital audio signal to an analog audio signal. Thanks to this converter you can connect a device with optical Toslink output or coaxial RCA (S/P-DIF) output to an amplifier / receiver with analog Tulp stereo 2x RCA input.

For example, a DVD or Blu-ray player can be connected to the input of the device and the signal can be delivered via optical TOSLINK or via an S/P-DIF coaxial connection. At the output port, the audio signal is sent through the RCA jack.

Features

- 1-way conversion - Converts digital Toslink or RCA audio signals to analogue stereo audio signals
- Amplifies digital audio signals - Keeping the audio signal in the digital domain virtually all the way to the connected device
- Compact design - For easy installation and use
