Nedis.com

These Nedis® lightweight sports headphones have flexible, ergonomic ear wings to ensure you enjoy your music throughout even the toughest workout. The built-in microphone makes it possible to use these headphones also for making hands-free calls. They are compatible with Google Assistant and Siri so you can ask to start your music, ask for road directions, online information and many other things via voice control. These in-ear headphones offer incredible performance from their 10 mm drivers.

## Features

- Flexible earwings - for supreme comfort during your workout
- Crystal-clear sound - to enjoy your favourite music to the fullest
- Built-in microphone - for hands-free calling
- Volume control panel - for adjusting the music to the perfect level
- Integrated control - to pause/play music, answer/cancel/ignore calls or use voice control
- 10 mm drivers - for outstanding sound reproduction
- Connects to any device with a 3.5 mm connection
