Wi-Fi | Full HD 1080p | IP67 | Cloud Storage (optional) / microSD (not included) | 12 V DC | With motion sensor | Night vision | White

Brand: Nedis | Article number: WIFICO030GWT | Product EAN number: 5412810328505

Inner Carton EAN: | Outer Carton EAN: 5412810382354

Home automation just got simpler. This easy to use Smart Outdoor IP Camera can be simply connected to your existing Wi-Fi network to monitor the outside areas of your house and record motion.

The outdoor IP camera features a waterproof housing and two infrared (IR) array LEDs powerful enough to enable 15 metres of night vision in total darkness. This way, it provides a stable image for reliable 24/7 camera surveillance during the toughest circumstances.

If the IP camera detects movement, you will receive a notification on your smartphone or tablet from where you can access the live feed remotely.
