This Nedis 65 W & 18 W USB-C PD 3.0 wall charger allows you to power USB-C notebooks.

Its advanced Power Delivery technology USB-C PD 3.0 connections allow for faster simultaneous high-speed charging of compatible devices at higher voltages.

This charger can also power smaller devices like smartphones, tablets, Nintendo Switch and many other USB-C devices without requiring a PC or notebook.

Thanks to its small size this is the perfect travel solution for portable charging (and it is supplied with a UK and EU plug).

Features

- 65 W and 18 W simultaneous charge
- PD Power Delivery
- Two USB connections - to charge two devices simultaneously
- Changeable plugs - UK or EU
