Wi-Fi | Full HD 1080p | Cloud Storage (optional) / microSD (not included) | With motion sensor | Night vision | White

Brand: Nedis | Article number: WIFICI40CWT | Product EAN number: 5412810331079

Inner Carton EAN: | Outer Carton EAN:

An essential addition to any smart home system, this Nedis® Smart Home IP Camera connects directly with your Wi-Fi network - no additional hub required - to be triggered by any motion and sound in the room.

Smart IP Camera

Home automation just got simpler. This easy to use camera can be easily connected to your existing Wi-Fi network to monitor rooms for any sound or motion.

It records in Full HD resolution (1920 x 1080 pixels) for complete clarity of the images captured. In addition, the camera is just as powerful at night: infrared LEDs provide night vision to a distance up to 5 m.

Features

- Full HD resolution to capture every detail
- Record on micro SD card up to 128 GB (not included) or in the cloud (subscription-based)
- Motion detection triggers recording and/or sends you push notification
- Integrated microphone and speaker provide 2-way audio
