Inner Carton EAN: | Outer Carton EAN:

Home automation just got simpler with this Full HD Nedis® Smart IP Camera that supports Google Home and Amazon Alexa. The smart camera is very user friendly, simply connect it to your Wi-Fi and you are ready to monitor the outside area of your house, even when you are not at home. The waterproof IP65 housing of this camera in combination with its 10-metre infrared LED night vision ensures you longer durability and always a clear sight, no matter the season, day or night or heavy weather conditions.

Features

- Full HD image quality for watching and recording every detail
- Two way audio so you can not only listen but also talk back
- Waterproof housing for all year use
- Record on micro SD card up to 128 GB (not included) or in the cloud (subscription based)
- Motion detection with adjustable sensitivity
- Night vision up to 10 m with infrared LED
