Inner Carton EAN: | Outer Carton EAN:

Nedis.com

This Nedis® full motion motorised TV wall mount offers the right height for many situations. Thanks to the quiet motorised mechanism and the gas spring system, a smooth positioning and can be controlled by the supplied RF remote. The bracket comes off the wall from top to bottom and after that, you can swivel the bracket 25° to the left or the right. In the highest position, the bracket is flat against the wall. When it comes forward, the bracket will lower by max. 54 cm. Memory settings on the remote allow you to save settings and automatically have the mount move the TV to a previously saved viewing position.
