Speaker Mount

Compatible with: Universal | Floor | 4.5 kg | Height Adjustable | ABS / Steel | Black

Brand: Nedis | Article number: SPMT2750BK | Product EAN number: 5412810333912

Inner Carton EAN: | Outer Carton EAN: 5412810385065

These universal matt black Nedis® speaker floor stands with a discrete design are ideal for most satellite speakers and small bookshelf speakers. The stands are adjustable in height, due to a manual clutch release which allows you to position your speakers exactly in the height that fits you best.

A sturdy and stable base with steel spikes for carpeted surface and rubber pads for wood and tile floors acoustically isolates the stands from flooring and ensures stability. The stands are strong enough to carry a speaker with a maximum weight of 4.5 kg. The hidden internal cable management keeps the wiring organized for a clean and neat look.

Features

- Universal design - fits a wide range of speakers via the 3 different sets of fixation options that are included
- Strong and durable component parts - with a maximum supported weight of 4.5 kg per stand
- Height adjustable - puts the speaker at the ideal listening height (763 - 1036 mm)
- Manual clutch release - for easy height adjustments
- Weighted base - ensures stability and reduces secondary sound vibrations
- Integrated cable management - to keep everything organized
