Nedis.com

Mount your Sonos® One, One SL or PLAY:1 speaker to the wall with this compact Nedis® SPMT5721WT speaker wall mount and create a floating speaker. It is designed specifically to match the contour, colour, material, and finish of these Sonos® speakers.

It holds the speaker secured while having adjustable options like tilting, swivelling and rotating so that it puts sound wherever you want. The cable management slot keeps the installation looking neatly organized.

## Features

- Compatible with Sonos® One™, One™ SL and PLAY:1
- Fully Adjustable - Rotate swivel or tilt to create the perfect angle to provide great sound in every position
- Floating design - seamlessly integrates into interior living space
- Mounting holders - to support the speaker firmly
- Removable mounting holders - to make it suitable for universal speakers and maximize the versatility
- Cable management – large gap to keep everything well organized and provides easy access for ca
