This XXL hot air fryer with a power of 1800 Watt has an extra-large capacity of 6.5 liters in which you can cook up to 1.4 kg of fries at the same time: enough for the whole family! A whole chicken also fits easily inside the air fryer. Thanks to the technology that circulates hot air at high speed, you get a very crispy result with minimal oil, making your food healthier and with a lower fat content. In addition, you can also bake, grill or roast with this hot air fryer.
