Digital Audio Converter

1-way | Connection input: 1x Digital RCA / 1x TosLink | Connection output: 1x (2x RCA) / 1x 3.5 mm | Automatic | Integrated amplifier | Black

Brand: Nedis | Article number: ACON2510BK | Product EAN number: 5412810334414

Inner Carton EAN: 5412810386048 | Outer Carton EAN: 5412810349715

This digital to analog audio (DAC) converter with a metal housing is suitable to convert a digital audio signal to an analog audio signal. Thanks to this converter you can connect a device with optical Toslink output or coaxial RCA (S/P-DIF) output to an amplifier / receiver with analog Tulp stereo 2x RCA input.

In addition, this converter is equipped with a headphone connection.

For example, a DVD or Blu-ray player can be connected to the input of the device and the signal can be delivered via optical TOSLINK or via an S/P-DIF coaxial connection. At the output port, the audio signal is sent through the RCA jack.

Features

- Converts digital TosLink or RCA (S/PDIF) audio signals to analogue stereo audio signals
- Provides 1 stereo audio signal output
- Sampling rates supported: 32, 44.1, 48 and 96 KHz
- Amplifies digital audio signals
- Aux / 3.5mm output for many devices such as headphones
- Compact and easy to install
- Output power: 170mW (16)
- Signal-to-noise ratio: 86 dBA
- Distortion: 0.5%
- Output level: 0.3 Vrms
- Headphone Impedance (min): 8 Ohm
- Headphone ii
