With this Nedis® motorised height adjustable floor stand, you can position a large format flat screen on any floor. By using the remote, the powerful motor allows you to get the optimal positioning for both standing and seated audiences. The 2 memory settings on the remote enable to retrieve the setting of your choice. The stand is ideal to use in a store, class room, boardroom, presentation room, or public entrance of a hotel, but can also be used on fairs.
