This Nedis electric XXL over blanket is super soft, wonderfully warm, and ideal to use inside on the couch or outside on the terrace. Plug the cable of coral fleece blanket into the wall socket, select the desired heat setting, and feel it getting nice and warm. Flip it over or drape it over your legs to stay warm on chilly evenings. It is also an ideal blanket to sit under together while watching your favorite series or enjoy a summer night outside on the terrace.

The coral fleece blanket has 9 heat settings and a one to nine-hour timer which automatically shuts off. Since the controller is detachable, you can wash the blanket.
